Invest in A Passion for Life

What is A Passion for Life?

A movement to see the gospel of Christ proclaimed in every community, to every generation, across the UK and Ireland.

We'll work towards this vision by:

- building confidence in bible-centred, Christ proclaiming evangelism
- inspiring, encouraging and resourcing evangelism all year round
- stimulating earnest and united prayer for the advance of the gospel
- coming together for times of nationwide mission - the next one being the month leading up to Easter 2022
- stirring one another to an ever-increasing passion to be used of God to bring people to new life in Christ

It aims to be a

- Local church mission
- In regional partnership
- Nationally resourced

What resources will be delivered?

As well as promoting the mission the central delivery team will be working to provide training and evangelistic resources.

The delivery team will be overseen by a representative group of ministry people from across UK and Ireland.
